

# Spooky2

Dear <<First Name>>,

Welcome to Issue #119 of our Spooky2 Weekly Digest.

## Spooky2: 5th Anniversary World Tour

How time flies! Spooky2 is 5 years old now. At this time, we want to make the 5th birthday of Spooky2 a global party of the Spooky2 community. We sincerely call for ideas, proposals, and volunteers for the anniversary celebrations. Join us and celebrate the 5th Spooky2 birthday together.

For more details, please check here:

## Spooky2 Blog Articles

### [Presets for Human Herpesvirus 2](#)

Here is a preset for Human Herpesvirus 2, also known as Genital Herpes.

### [How to Load Programs into GeneratorX](#)

Follow these steps to load programs into GeneratorX.

### [GeneratorX - Redefining Biofeedback](#)

GX changes the rules for biofeedback entirely. A biofeedback scan which takes an hour with Spooky Pulse now takes just over 4 minutes.

## Spooky2 Q&A

[Is it advisable to give the body a rest/break between running the frequencies](#)

[and doing the next scan?](#)

The need to take breaks is really an individual thing as we are all different in the way we react to certain frequencies.

[What is the life expectancy for our generators if looked after, not dropped or allowed to get wet etc.](#)

I have been operating one XM generator for nearly 4 years not stop without any failure so far.

[Anyone know of a frequency to kill nanobots?](#)

Most of the Artificially intelligent Nanotech aspects often change their frequency if found some are tackling it that way regardless.

[Suggestions for the GenX that indicates where to place the pads for different programs.](#)

To keep it simple, try the following to help find places to place the pads.

## **Spooky2 Discussions**

Spooky2 Rife for Life Facebook Group

[Just some feedback on GeneratorX](#)

I could instantly feel that I started to react, stuff got killed and detox.

[Any recommendations on how I can kill this thing?](#)

In my geography there has been a lot of walking pneumonia, Flu and bronchial issues this year.

[Suggestions for Treating Anemia](#)

Has anyone had experience with anemia? Thanks for any suggestions.

Spooky2 Forum

[Biofeedback](#)

Where can we find information regarding biofeedback results?

[Lyme & Placement of TENS Pads During Biofeedback Scan](#)

Does anyone have any suggestions on where I should place the TENS pads when performing a biofeedback scan on someone who has Lyme?

[Is it possible to use Biofeedback whilst Terrain is running?](#)

Any advice would be appreciated.

Best of health,  
Echo
