What can you do when you experience shocks in contact mode?

Spooky2 Discussions

Spooky2 Rife for Life Facebook Group

[How good is Spooky2?](#)

"My daughter was feeling very unwell for nearly 10 days. At the time we tried all sorts of home remedies and nothing seemed to work or comfort her... After setting up the six XM generators with Remotes and Boosts, she is about 60% better and is back to school"

[Spooky2 Worked on Bone Repairing](#)

One user broke collar bone from a car accident. After applying some bone programs, x-ray shows that the sharp break area has rounded off and the bone is growing at a rapid speed. Click here for more details!

Spooky2 Forum

[What is the range of actions for Spooky2 PEMF coil?](#)

What is the physical range of action or a field produced by the Spooky2 PEMF coil? Is it like a small apple sitting above the pole of the coil or like a long cucumber or like a basketball?

[Creating Programs](#)

How can you create a program? Are there any matters you need to pay attention to? Click here to find out!

Best of health,
Echo
