### [How to Help with Leaky Gut Using Spooky2](#)

There are several basic ways to ease your pain caused by leaky gut and feel better in general. In this post, we are going to show you how you can use Spooky2 to help with leaky gut.

### [Healing Frequency for Back Pain – Spooky2 Rife Healing Frequency](#)

Back pain is a common problem that affects many people during their lives. It might be caused by a simple strain to a muscle or ligament. However, back changes that happen in the spine may lead to back pain as you get older. This frequency video will help to relieve severe back pain, numbness and tingling, and weakness in your legs.

### [Positive feedback on using Spooky2 Scalar around me.](#)

One Scalar customer used Spooky2 Scalar on himself and several other people. Results were all positive and satisfied. One woman who suffered from pain got relieved right after being in the scalar field. As Scalar improved her energy balance, her pain was reduced even when not using Scalar. Click the above link to find out how Scalar helped them.

## Spooky2 Q&A

### [What is the difference between Grade Scan and Refine Scan?](#)

Will the grade scan and refine scan do the same thing? When should you use a grade scan or a refine scan?

### [How far away should someone with a pacemaker be from the plasma tube](#)

### [being used for someone else?](#)

Are all the Spooky subsystems safe for pacemakers, other electric implants, or metal replacements?

### [Can I change my saved presets into a new empty shell?](#)

Once a program is created with an empty shell, is there a way to bring up the saved preset and change its shell without having to reselect all the programs?

### [How often do you use blood cleanse a week for someone that has bile duct cancer?](#)

Bile duct cancer is a rare disease in which malignant (cancer) cells form in the bile ducts. Having colitis or certain liver diseases can increase the risk of bile duct cancer. Click here to find out how Spooky2 can help.
