[After using Spooky2 Scalar, the tumors in my salivary glands started to get smaller and smaller.](#)

I was exposed to the scalar field all the time during the day. Probably at least 6 to 8 hours a day for over a month. I sat on a couch where I could read and work. My legs were in the field all the time. The tumor was in my saliva gland and it started to itch while I was in the field and after about 3 weeks, it started to get smaller and smaller.
