Spooky2 Blog Articles

[3 Ways to Help Your Pets Live Better with Spooky2](#)

It is always frustrating when our little companion gets sick or is hurt by accident. We are not left with too many options. Visiting a vet is most people's top choice, however, it is also expensive. Rife frequency therapy is a natural alternative to drugs and other therapies. Spooky2 Rife System can detox and heal the body as well as kill pathogens to maintain a healthy long life. Click to learn more.

[How Can Spooky2 Help Your Plants?](#)

Plants can sense the surroundings through signals including the presence of volatile chemicals, light detection, direct contact, and root signalling. But do you know they can also make and hear sounds? It is not like they have ears, but they can feel the vibrations in the soil. Since rife frequencies can help with human and animal diseases, can they also help plants? The answer is yes. Read the blog now to see how Spooky2 can be your big helper.

[417 Hz for Trauma and Sacral Chakra](#)

Sounds have special powers. The good vibes of music can bring you joy, while the disturbing noise can ruin your day. But do you know which sounds are the best? The answer is the solfeggio frequencies. Solfeggio frequencies are specific tones that can balance the body and mind. In total, there are 9 solfeggio frequencies, and 417 Hz is one of them. Click to find out the benefits of the amazing 417 Hz.

Online Training Course - Video Replay

[Spooky2 Online Training Course: Spooky2 GeneratorX Biofeedback Scan](#)

We were delighted to have Jonathan Ellis as our host in last week's episode of the training course. During this course, Jonathan Ellis shared with us how does biofeedback work, how to connect hardware and operate software, what do we do after we get results from the biofeedback scan and some useful tips. Click to watch the full replay if you missed the live meeting.

Rife Frequency Video

[Healing Frequency for Peyronie's Disease – Spooky2 Rife Frequencies](#)

Peyronie's disease is an abnormal curvature of the penis caused by scar tissue in the erectile tissue. It is quite common, affecting as many as one in ten men, despite the lack of public awareness. This frequency video will help to relieve your pain. Click to enjoy this frequency now.
