Spooky2 Blog Articles

[Come and Shop at Spooky2's September Sale with PayPal](#)

Time flies, and we are already in September! What have you achieved so far in 2021? Looking back on what you have written in your checklist of new year goals, are there any goals or things you have not done yet? Well, we hope you have done something meaningful! And, today's good news for you: in September, Spooky2 is on Sale with PayPal! Click to learn more.

[All You Have to Know About Contact Mode](#)

Contact mode is a highly effective way of delivering rife frequencies to the body. It can transfer DC electrical energy into the body to help with all kinds of health conditions. However, many may be confused with when to use contact mode and how to use it. Don't worry. We will explain them all in this blog.

[Spooky2 Scalar Review: I never felt so good and vibrant until now](#)

This is a story shared by one of my friends. When sleeping in the scalar field, his consciousness woke up from the dream and he became super lucid! Within a few minutes of knowing the fact that he was dreaming, he came out of his body in the real-time realm mixed with astral debris. Finally, he awakened, somewhat tired but his mind was completely relaxed and stimulated. Click here to learn more about his experience.

Rife Frequency Video

[Healing Frequency for GERD – Spooky2 Rife Frequencies](#)

Gastroesophageal reflux disease (GERD) is a digestive disorder that occurs when stomach acid persistently flows back up into your oesophagus. It is a severe and long-lasting condition that can lead to complications over time. This frequency video will help to relieve acid regurgitation, sore throat, and feelings of heartburn.

Spooky2 Q&A

[Is it alright to put a cold laser device on your neck, keeping its proximity to the Thyroid and spine in mind?](#)

Can we place the cold laser device on the neck? Will it stimulate any negative effects?

[When I am running plasma on one of my GenX, the other generator often does not work on Remote. How should I troubleshoot?](#)

Will the signal of plasma affect other generators and treatment?

[What's best to run on Spooky2 GenX after a total hip replacement?](#)

Click to check out what might be useful after replacement surgery.

[Is there a way to plug in pads without disturbing the running Remote program?](#)

Can we set up the TENS pads while running programs on Remote?
