SAMA: Upcoming Live Interview - Book Your Seat Now 📺

[\[SAMA Talks\] Episode 166: Royal Rife's Microscope – The Universal Truth](#)

The Universal microscope was designed and built by Royal Rife. It had incredible magnification and resolution. The invention of such an incredible device threatened the current medical system, so people were assassinated and Rife's laboratory equipment and records were destroyed. But is it really a fact?

In this episode, our guest Dr. Steven Ross will put the story straight because he was part of Rife history. He was asked by John Crane to return the Universal microscope to functionality. Let Dr. Ross tell us exactly what happened, who was killed, where the Royal Rife documents are, and what finally happened to this incredible microscope.
