Spooky**2** Q&A 💡

[Should we choose the Killing preset only for BFB scan results?](#)
 When killing pathogens and parasites, you would have more benefits if you used the Killing preset. Click to read more.

What does the (Dual) mean on some of the remote presets?

It's a faster way to run your programs. **Dual runs two different frequencies at a time** so the programs run twice as fast.

How many frequencies are in 1 Hz?

It depends on which waveform is used to render the frequency. Click to read more.

Can mobile waves affect Spooky2 programs?

Mobile will not affect the Spooky**2** program. Click to read more.
