[Healing Frequency for Immune System Boost](#)

Your immune system is your body's natural defense mechanism against viruses, bacteria, and other harmful invaders. When it's working properly, it can keep you healthy and disease-free. But sometimes, due to stress, poor diet, or other factors, your immune system may need a little help. That's where healing frequencies come in.

This healing frequency aims to:

-  Boost your immune system.
-  Protect yourself from unwanted viruses and bacteria.
-  Promote your overall holistic health.
