[The Power of Colloidal Silver in Healing a Damaged Knee 🙏](#)

As a therapist at our healing center, I can confidently say that colloidal silver has been a game-changer for us. One of our clients treated a patient with a severely damaged knee—bone exposed, infection, and signs of suppuration—with colloidal silver. In just two weeks, the infection was gone, and the patient is now awaiting surgery to cover the area.

Is there a preset or a program a person could run that would give some immediate or semi-immediate feeling or reaction by the body to test it out? [For more details click here!](#)

[Why are finger nails needed to be inserted into the Spooky2 remote](#)

I was told finger nails are a requirement to run anything via Remote on the Spooky2.

Isn't Spooky2 remote just running frequencies? Why should finger nails matter? Frequencies are frequencies aren't they. They are just numbers that run at specific Hertz? Why would finger nails enhance that? [Click here to see more details.](#)

That's all for this week. Take care :)
