### [A Life-Changing Journey to Better Health with Spooky2 🧡](#)

I've been using the [Spooky2 GeneratorX Pro](#) to tackle long-standing issues like **bacteria and parasites** that I've accumulated over the years. For the past three months, I've been following the **Lyme and Morgellons presets**, and I can already feel the difference.

I use one **Spooky2 remote** in the BN port and the **TENS pads** plugged into the high power port of the Spooky2 boost. This has been a game-changer for me, and I can't wait to continue this healing journey!

Was introduced to it by a Health store owner. I'm using the Spooky2 generatorX Pro to get rid of any bacteria or parasites that I've gotten over my lifetime. I have been doing the Lyme and Morgellons presets for about 3 months. I use 1 Spooky2 remote in the BN port and the tens pads plugged into the high power port of the Spooky2 boost. Definitely noticing that I don't get sick as often and I am excited to see other benefits after the protocol has been fully completed.
