## Spooky2 Testimonial 🥰

### [Treating Nasal Polyps and a Dental Abscess with Spooky2 ❤️](#)

My 41-year-old husband struggled with severe nasal polyps for years, likely linked to Peutz-Jeghers Syndrome in his family. After surgeries, medications, and even Dupixent—which caused severe side effects—his condition only worsened. In May 2024, he had a second surgery, but the polyps persisted. I started using the **Spooky2 generator**. In October, **running two specific programs for PJS and polyposis 24/7**. Within 50 days, his breathing improved, his sense of smell returned, and a specialist confirmed his polyps were nearly gone. This experience proved to me that Spooky2 is truly effective and not just a placebo.

[How to correctly save biofeedback scan results?](#)

When the scan finishes, a window with your scan results pops up. Click the Save button and save your scan result as a program. Give your scan result a name, which is easy for you to search. Click on the Save button in the top right corner of the window. Click "yes" when it asks if are you sure you want to save and exit. Then you could go to the Programs tab, tick only "BFB" and see the program of your scan results. [Click here to see more details.](#)

[How long can fingernails be in the remote, does it matter?](#)

Fingernails can be used in the remote for several years without any issues. There's no need to change them frequently unless they are physically damaged or lost [Click here to see more details.](#)

Spooky2 Forum 

[How often/long to run programs?](#)

First, you need to find the presets or programs for the corresponding disease, when you choose the corresponding frequency, you will have an estimated time to run, but you can adjust it based on your response. [Click here to see more discussion.](#)

🌟 That's all for this week! Thank you for being a valued part of our Spooky2 community. Stay tuned for more updates and exciting content in next week's digest. Until then, take care, and happy healing!
