[Why Spooky2 is the Best](#) ❤️

I first heard about Spooky2 a year ago. I immediately ordered an XM Generator kit and started the Detox the Terrain Detox process there.

Within a couple of weeks, I started buying a GeneratorX. I also use the Contact kit for ankles, knees, and wrists, and the PEMF coil is okay as well. But this Cold Laser is amazing.

I've been using it for about a year with some great results. It's helped me cure skin hives. 😊

Spooky2 Q&A 💡

[Should I use Kill or Heal for aflatoxins in my body/rectum?](#)

We recommend using Kill mode to target and eliminate the toxins for aflatoxins in your body. [Click here to learn more.](#)

[Why is plasma better for short treatments? Is using longer at once not good for health?](#)

Plasma is most effective for short treatments because it delivers strong, targeted energy. While you can run longer overnight presets, adequate ventilation is essential. Using it daily is generally fine, but prolonged sessions may increase detox effects (Herx). Listen to your body and adjust accordingly. [Click here to learn more.](#)

[How long do the imprints last on the stickers?](#)

Imprinted holographic stickers can last for a very long time.

They can last as long as they do not get wet, worn out, or exposed to the sun and strong magnetic fields. Many like myself put them in a plastic coin holder and keep them in a pocket. They last longer. I use a plastic coin holder or a very, very small ziplock baggie. [Click here for more details.](#)

Spooky2 Forum 💬

[Detox Aluminum](#)

Aluminum is toxic to humans and animals. You are getting a lot of it every day, as they spray tons of it through Chemtrails. Therefore, detox can be used from time to time. [Click here for more discussion.](#)
